2021 Virtual AGM

1. When is EML's virtual AGM?

You can access the virtual AGM using a desktop or laptop computer, tablet or a mobile device.

2. Why is EML not holding a physical meeting for its AGM this year?

Due to continuing concerns around Covid-19 this year's AGM will be once again be fully virtual. EML takes the health and safety of our shareholders, our people and the broader community seriously. The decision to hold a virtual meeting was made given ongoing concerns about Covid-19, together with restrictions on travel, public gatherings and social distancing requirements.

EML's AGM will seek to provide equal opportunity for all of our shareholders and other stakeholders to participate in the 2021 AGM regardless of their location.

3. Restrictions are easing, why are you not holding your AGM at a venue?

Restrictions are easing in some locations, but not in others. Travel is also still heavily restricted, particularly international travel. The unprecedented nature of the coronavirus pandemic also means that things can quickly change – including Government advice and restrictions that may be in place at the time of our AGM.
